**WYBRON APPOINTS TMB DISTRIBUTOR FOR ASIA,
AUSTRALIA AND NEW ZEALAND**

Colorado Springs, CO - May 13, 2008 - Wybron Inc., announced that effective immediately, TMB is the exclusive distributor for Wybron product in Asia, Australia and New Zealand. Quotations and purchase requests will be handled by TMB's offices – primarily in Los Angeles, with support from the London and Beijing offices.

“TMB has built a strong presence in Asia and the Pacific Rim. I'm thrilled that we can work with them to expand both our businesses there.” Said Dusty D. Hudgins, Sales Manager for Wybron. “We've worked with TMB for a long time, I'm confident they will help our customers, and provide that unique TMB service.”

TMB Sales Manager, Lisa Curran, concurs: “Dealers will benefit from the innovation and quality of Wybron products, combined with our commitment to fast and friendly service. Together we will accomplish great things in these rapidly growing markets.”

Wybron has had a long relationship with TMB, going back to the very beginning of both companies. “I remember when Colin and Marshall just started TMB, and asked me if they could distribute the original Wybron color changer, the Colormax” recalled Wybron president and founder Keny Whitright. “They've done a great job and really know Wybron products.”
